Note: Attendance at a Parent Preview Night is a requirement for enrollment. If you miss both meetings, there will be a video available after the last meeting.

- Complete the state-required preschool packet, which includes record of up-to-date vaccinations along with a physician's report. This must be completed as soon as possible, but submitted no later than July 1, 2018. If there is an issue with meeting this deadline, you must communicate with us before the due date to hold your opening.
- Provide copies of any specialized educational services evaluations or reports your student/s may have (academic, social emotional, behavioral, speech, etc.).
- Notification will be made as soon as possible if your family has been accepted (typically late March through April timeframe.) You are welcome to contact us at any time to check the status of your family's enrollment.

SLOCA can only accept a limited number of new students. Applications will be processed based upon a number of factors: timeliness of application, family interview, and compatibility with our program. Although applications are accepted at any time, we encourage you to apply early to increase the possibility of an opening for your student/s. If we are unable to enroll your student on either track, you will be placed on a wait list. If your student does not receive placement, your registration fee will be returned.
