

SUMMER SPORTS CAMPS

We invite you to join us for our second year of SLOCA Summer Sports Camps! Our camps are for 1st–8th graders, designed for all skill levels, and of course be tons of fun! Camp will consist of a rotation between gym/field time and class time. During gym/field time students will have a blast learning new skills, participating in team drills and growing as athletes. Age-appropriate class time will consist of interactive learning about the basics of the sport and gaining a more well-rounded understanding of the game. Students will also have the opportunity to interact with community guest experts each week who will share more about their sport.
