- Complete the Intent to Enroll Application Packet.
- Meet with the Admissions Director and complete a classroom observation and tour. Please bring your children that you are desiring to enroll in our program with you.
- Attend a required Parent Preview Night (PPN). For more information about PPNs, please visit our events page <http://sloclassical.org/our-events/>.
- Complete the state-required preschool packet, which includes a record of up-to-date vaccinations along with a physician's report. This must be completed as soon as possible, but submitted no later than July 3, 2019. If there is an issue with meeting this deadline, you must communicate with us before the due date to hold your opening. Please note that your student will not be allowed to start school without completed and approved paperwork submitted.
- Provide copies of any specialized educational services evaluations or reports your student/s may have (academic, social-emotional, behavioral, speech, etc.).
- Notification will be made as soon as possible if your family has been accepted (in the April timeframe.)

SLOCA can only accept a limited number of new students. Applications will be processed based upon a number of factors to include: timeliness of application, family interview, and compatibility with our program. Although applications are accepted at any time, we encourage you to apply early to increase the possibility of an opening for your student/s. If we are unable to enroll your student on either track, you will be placed on a waitlist. If your student does not receive placement, your registration fee will be returned.
