- landscape orientation

all entries must include:

- our school name
- the school year (2018-19)

• **Incorporate this year's school theme of "wonder."**

• **Use lots of color, including the background.**

(Don't leave uncolored white space.)

• **Mix up your medium, use crayons, watercolors, markers, pastels, etc.**

• **Do not add text too close to the edge of the page.**

(Leave 1 inch of space around the edges (no text), just color. This will avoid print issues when the art is applied to the cover.)

• **Keep in mind that your artwork will be displayed as a full spread, front cover to back cover.**
