- ☐ [Sign up for a tour](#). You will have the opportunity to ask questions and see the magic in our classrooms. Parents and students are welcome to attend.
- ☐ Complete the online [Intent to Enroll Application](#). Our enrollment process is completed online through FACTS. To submit your Intent to Enroll application, there is a one-time \$122 per student fee. Once the Intent to Enroll Application + Fee are received, we will contact you to **schedule a Family Meeting** with the Admissions Director and the HS Student Life Director.
- ☐ **Notification** will be made as soon as possible if your family has been accepted (typically March/April). Feel free to contact us at any time to check the status of your enrollment.

UPON RECEIVING YOUR ACCEPTANCE LETTER

- ☐ Complete your online **Enrollment Packet** linked in your acceptance letter.
- ☐ When electronically submitting your Enrollment Packet, you will be required to pay the non-refundable **\$375 Registration Fee**.

Applications will be processed based on several factors: timeliness, campus visit, space availability, and compatibility with our program. Although applications are accepted at any time, we encourage you to apply early to increase the possibility of a spot for your student/s. If your student has special needs, please let us know. We do not offer services at SLOCA, but students with special needs can sometimes succeed in our program, so we'd like to have an in-depth conversation about your student's needs. In addition, immunizations or a valid medical exemption letter are required.
