- ☐ When submitting your Enrollment Packet, you will be required to pay the **\$500 Registration Fee**. *When making your first tuition payment, your \$500 registration fee will be credited to your account. Should you choose to unenroll before your start date, the \$500 Registration Fee will not be returned.*

Applications will be processed based on several factors: timeliness, campus visit, space availability, and compatibility with our program. Although applications are accepted at any time, we encourage you to apply early to increase the possibility of a spot for your student/s. If your student has special needs, please let us know. We do not offer services at SLOCA, but students with special needs can sometimes succeed in our program, so we'd like to have an in-depth conversation about your student's needs. In addition, immunizations or a valid medical exemption letter are required.
